While other Kids Bibles contain stories from the Old and New Testaments, The Jesus Storybook Bible tells the Story beneath all the stories in the Bible, pointing to Jesus as our Savior. From the Old Testament through the New Testament, as the Story unfolds, children will clearly see that Jesus is at the center of God's great story of salvation and at the center of their story too.

The Jesus Storybook Bible

The Jesus Storybook Bible invites children to discover for themselves the one who is at the center of God's great rescue story and at the center of their story, too. Because the Bible isn't a book of rules. Or a book of heroes. The Bible is most of all a story. And at the center of that story is a baby. And every single story in the Bible whispers his name.

Jesus Storybook Bible Review Study and Faith

In the Jesus Storybook Bible, this is made clear from the very beginning. The story of Noah ends with the reminder that God promised to never again destroy the world's people with a flood instead he would rescue them. The story of the tower of Babel ends with the observation that no matter how high the people of Babel had built that tower, they never could have reached heaven on their own they needed a Savior. And on and on it goes throughout each of the Old Testament stories.
