### **The Beating of His Wings by Paul Hoffman book review**

I was disappointed it took me months to try and read The Beating of his Wings. I admit the first book, I read in no time and the second quite disappointing. There were numerous moments but not enough to elicit interest in me really. While the ending allows for future opportunities with certain characters, I did not find it a satisfactory conclusion. And I doubt that I will read any other offering from this author. Disappointed.
